Spring Workshop will be going ahead this year and we are so looking forward to being together again.

Because of the unique situation that has unfolded in 2020, we will be running a modified programme. While we want to reduce the risk of booking tutors who may then not be able to travel, the committee's main consideration has been to keep the fees as low as possible, so we have decided that it would be appropriate to subsidise the cost of this year's workshop, as a one-off. At this stage we fully expect Summer Camp to go ahead as "normal", and that it will be at Rathkeale.
