

New Zealand Suzuki Institute Policy for Teachers Returning to Suzuki Teaching

The New Zealand Suzuki Institute warmly welcomes teachers who are interested in returning to teaching and becoming part of the NZSI teacher community again. In addition to establishing communication with the returning teacher, NZSI will provide support through a mentor that can advise the returning teacher about current NZSI policies and activities, updated training and teaching practises and specific instrument repertoire changes.

This policy covers:

Teachers, previously registered by NZSI or former teacher members of NZSI, who have dropped off the NZSI Teacher Registry due to one or more of the following;

- 1) NZSI Teacher membership lapsing
- 2) Incomplete training according to the NZSI Teacher Registry Policy
- 3) Personal circumstances
- 4) Training took place prior to 2007

Requirements for re-registering with NZSI

1. Teacher membership of the NZSI.
2. Complete and submit application for re-registration.
3. Undertake appropriate re-registration activities as advised by the NZSI Professional Advisory Group (PAG). See Application form for details.

The PAG will consider applications in April, August and December each year. Re-registration activities and status on the Registry will be decided by the PAG on a case by case basis. A mentor will be assigned to work through the re-registration process with the returning teacher.
