INTRODUCTION

The NZSI Teacher Training Programme is designed for practising teachers and advanced musicians 18 years and over interested in becoming Suzuki teachers. Currently, in New Zealand, Suzuki teacher training is available in cello, flute, guitar, piano and violin.

The training programme covers 4 Levels and each level consists of 3 Units of training. Most units correspond to the Suzuki repertoire book to which it refers. There is an Assessment at the end of each Level of training. Upon commencing training, teachers are eligible for inclusion on the NZSI Teacher Registry.

Each unit consists of a minimum of 16 hours of lectures, discussions, training and teaching practice plus 8 hours of observation of specified Suzuki teaching, which must be fully documented by the trainee. The importance and timing of the teaching of reading, plus other aspects of musicianship will also be an integral part of the training programme. Additional written work, reading and an increasing performance ability is required at each Level.

NZSI Teacher Trainers recommend:

1. All teachers attend the National Teachers Conferences.
2. Trainee teachers attend a minimum of one workshop or conference for each Level of training.

In some cases, NZSI Teacher Trainers will also recommend that a trainee teacher takes private lessons from a recognized teacher during the training period.

Entry level playing requirement as follows:

Piano - Grade 8 + or alternatively the equivalent of Suzuki Piano Book Seven.

An introductory training course for teenagers with an associated mentor scheme is available for advanced Suzuki students in Year 11-13. For Information go to:
