Main violin programme will consist of Masterclass, Group and Enrichment each day.

We are hoping to hold a Parent Education Session on Saturday Lunchtime, (entertainment provided for the children)

RULES FOR REGISTRATION

- All students must be currently learning from a **Registered Suzuki Teacher** and be **accompanied by a parent** to the Workshop.
- The Family is a current financial member of the NZ Suzuki Institute.

GENERAL NOTES

Northland Branch has been fortunate to secure the use of Pakaraka Primary School for our Weekend Violin Workshop.

There is a busy road outside the school & cars and other vehicles will be moving in and out of the car parking area. Please supervise your children and respect the school property **AT ALL TIMES**.

The programme will run from 08:30 - 3pm each day. Your child may have lessons at any time during those times. You will be sent a timetable nearer the time with your child's lesson timetable.

Tea, coffee and juice will be available at Morning-Tea time. Please fill out the parent help roster if you are able to assist with serving.

You will also need to bring water, suitable snacks, spare strings, warm /cool clothing, sun block, quiet entertainment etc and a packed lunch for you and your child/ren.

We discourage the use of cellphones (for yourselves or your child) during the workshop, unless it is an emergency.

Toilet facilities are also located within the school. Please leave them clean and tidy.

Covid Policy

Please do not attend this event if you suspect you or one of your family has Covid or other flu-like symptoms.

Refund Policy

Please note that refunds can be given for genuine cases of illness, injury etc. Please email the committee on northland@suzuki.org.nz (NZSI membership fee is non-refundable).

The NZSI Northland Branch Committee is a group of hard working Suzuki parents and teachers who work to support and encourage Suzuki learning Northland. We have an online monthly meeting and if you would like to support events such as this workshop then please consider offering your support to join the team.

We'd love to have you!
